The screenshot shows the SpaceFinder Toronto website. At the top, there is a navigation bar with the logo "SpaceFinder Toronto BY FRACTURED ATLAS" and links for "You have 23 notifications", "My info", "alex@artsbuildontario.ca", and "Log out". Below the navigation bar are links for "Dashboard", "Directory", and "Admin". A search bar is present with the text "Search by name or keyword" and a "Search" button. A dropdown menu for "Select directory by region" is set to "Toronto". A section titled "I Need Space for..." lists various options: Any, Performance, Rehearsal, Special Event, Class, Audition, Photo Shoot, Video/Film Shoot, Screening, Reading, Meeting, Studio Art, Exhibition, Audio Recording, and Live/Work. Below this, there are two featured listings. The first is "hub14 art+performance works: hub 14" located at 14 Markham Street, Toronto, ON, M6J 2E9, with 700.0 sqft. It lists permitted uses: Exhibition, Reading, Video/Film Shoot, Photo Shoot, Audition, Class, Special Event, Rehearsal. The second listing is "Katzman Contemporary" at 86 Miller Street, Toronto, ON, M6N 2Z9, with permitted uses: Audio Recording, Studio Art, Meeting. Each listing includes a "Book Online Now" button and a "View Calendar" button.

ARTSBUILD ONTARIO ArtsBuild Ontario is dedicated to realizing long-term solutions to building, managing and financing the sustainable arts facilities needed in Ontario's communities.

MANAGING Helping you operate facilities sustainably

- Project Management**: Take control of your work through project management tools and training
- Asset Planner for the Arts**: A robust online management tool and the technical support to get the most from it
- Carbon Footprint Measurement**: Improve your facility's carbon footprint through arts specific performance metrics
- Energy Conservation Program**: Assess your current energy usage and identify cost-effective improvements

BUILDING Helping you develop and renew your facilities

- PLAN IT | BUILD IT**: An all-inclusive guide to planning and completing your capital projects
- Creative Hubs**: Explore the many aspects of creative placemaking
- Technical Services**: Reliable, affordable and accessible technical services
- Accessibility**: Understand and comply with provincial legislation

FINANCING Finding funding and financing for your capital projects

- Loan Readiness Assessments**: Find out if you're ready to apply for a loan
- Finding Funds and Financing**: Options for funding your capital projects
- Advocacy**: Updates on important issues and actions

LEARNING Connecting you with ideas and information from sector experts and peers

- Arts Facilities Mentoring Network**: Mentors helping mid-career leaders navigate facilities challenges
- Professional Development**: Webinars, communities of interest, anytime, anywhere online training, e-learning and workshops
- Making Spaces for Art**: A series of arts facility case studies to inform arts organizations across the Province

RESOURCE LIBRARY: An online searchable source for everything facilities related

BRICKS&MORTAR: An online advocacy tool for arts organizations that provides up-to-date information about Ontario's arts facilities

Partners:

- Nonprofit Partners:** WorkinCulture, Housing Services Corporation, Artscape, Calgary Arts Development, CarbonCounted, Fractured Atlas, Toronto Atmospheric Fund, TechSoup Canada, Canadian Alternative Investment Cooperative (CAIC), ArtsBuild Ontario Advisory Committee
- Private Sector Partners:** Creative Arts Savings & Credit Union, Ameresco, Accessibility Ontario
- Government Partners & Funders:** Government of Canada, Government of Ontario, The Ontario Trillium Foundation, Ontario Arts Council, Metcalf Foundation

Delivery Format: Communities of Interest, e-Person Services, Resources, Tools & Software, Webinars, Workshops

WorkInCulture

- Our mission is to support the people who work in the cultural sector through **life-long career development** and **business skills training**.
- One of our strategic goals is **to be the partner of choice** in realizing our mission – and we practice what we preach....

WorkInCulture

What we've learned about collaboration

- Do more with less – together is better
- Play to our strengths
- Start with a road map
- Communicate, communicate, communicate
- Chemistry is essential – 'good casting'
- Have fun – the secret ingredient
- Hard work delivers results!
-
